  - Rural and Urban Development Initiative
  - Training and Agribusiness Farmers Mobilization
  - Building Rural Incomes Through Entrepreneurship
  - Pricewaterhouse Coopers Ltd.
- Receiving promotion support from Jakaya Mrisho Kikwete Foundation and Azam TV

## Technical

- Development of a larger chaff cutter and multi-crop thresher
- Team capacity building training at CAMARTEC
- Operation of our laser cutting machine
- Shop renovation

## Imara Tech in the News

We've had great opportunities to present our work this year, including:

- Our feature on [BBC Swahili](#) (sorry, no captions!)
- Appearing in the COSTECH Tanzania magazine and their innovation week posters
- Presenting to the Vice President of Tanzania!!!!
